

**NEVADA STATE BOARD OF  
PHYSICAL THERAPY EXAMINERS**

**BOARD MEETING MINUTES FOR SEPTEMBER 28, 2006**

- Item 1- Call to order / roll call to determine the presence of a quorum. After determining the presence of a quorum, the meeting was called to order at 8:34am. Board Members in attendance: Pamela Hogan, PT, OCS, FSOM, Chairman; Jack D. Close, MA, PT, FAPTA, Secretary/Treasurer; Conee Spano, M.Ed., Public Member; Cef Villafuerte, PT, and Chad Bible, MSPT, GCS. Non-members in attendance: Allison Tresca, Executive Secretary; Angelo Sakelaris, Inspector; Richard Dreitzer, Deputy Attorney General and Sandra Carolina, Deputy Attorney General.
- Item 2- Review and approval of minutes for Board meeting of July 20, 2006. On motion by Board Member Spano, seconded by Board Member Close and approved with a unanimous vote, the minutes were approved with grammatical changes.
- Item 3- Review and approval of executive session minutes for Board meeting of July 20, 2006. On motion by Board Member Spano, seconded by Board Member Close and approved with a unanimous vote, the minutes were approved with grammatical changes.
- Item 4- Review and approval of Treasurer's Report for period ending July 2006. On motion by Board Member Bible, seconded by Board Member Hogan and approved with a unanimous vote, the Treasurer's Report was approved.
- Item 5- Review and approval of Profit and Loss Report for period ending July 2006. On motion by Board Member Bible, seconded by Board Member Villafuerte and approved with a unanimous vote, the Profit and Loss Report was approved.
- Item 6- Review and approval of Balance Sheet as of August 1, 2006. On motion by Board Member Villafuerte, seconded by Board Member Bible and approved with a unanimous vote, the Balance Sheet was approved.
- Item 7- Review and approval of Treasurer's Report for period ending August 2006. This item was tabled until the next meeting. The report reflected that two renewal invoices were not paid in full. The Executive Secretary was certain the invoices were paid in full and was directed to research the matter and report to the Board at the next meeting.
- Item 8- Review and approval of Profit and Loss Report for period ending August 2006. This item was also tabled because the data pertains to the same time period as Item 7.

- Item 9- Review and approval of Balance Sheet as of September 1, 2006. On motion by Board Member Bible, seconded by Board Member Hogan and approved with a unanimous vote, the Balance Sheet was approved.
- Item 10- Review and approval of Fiscal Year Budget Report for July 1, 2005 through June 30, 2006. On motion by Board Member Spano, seconded by Board Member Bible and approved with a unanimous vote, the Fiscal Year Budget Report was approved.
- Item 11- Review and approval of Budget for fiscal year July 1, 2006 through June 30, 2007. Board Member Spano stated that if the Board does not believe that a \$1,500 bonus is not adequate for the Executive Secretary, the Board should consider that when the Executive Secretary has her review. It was discussed that the bonus category could be increased, but the amount would have to be added to the income. On motion by Board Member Spano, seconded by Board Member Villafuerte and approved with a unanimous vote, the Budget was approved.
- Item 12- Review and approval of Secretary's Report for September 28, 2006 Board meeting. On motion by Board Member Close, seconded by Board Member Bible and approved with a unanimous vote, the Secretary's Report was approved.
- Item 13- Applicant Shaun Yokoyama requests to be licensed as a physical therapist. This appearance is required due to the applicant's absence from the field since his graduation in 2004 and to discuss the applicant passing the NPTE on the fifth attempt. On motion by Board Member Bible, seconded by Board Member Spano and approved with a unanimous vote, the Board entered closed session. After returning to open session, on motion by Board Member Close, seconded by Board Member Bible and approved with a unanimous vote, the applicant was granted a 6-month probationary license. The licensee must work under the on-site supervision of a Board-approved licensed physical therapist, with a Board-approved licensed physical therapist providing secondary supervision in the event the primary supervisor is not available. The supervisor must remain on-site at all times and co-sign all notes.
- Item 14- Licensee John Atherton requests to be released from probation. Board Member Hogan recused herself from this item as she had previously worked with the licensee. On motion by Board Member Spano, seconded by Board Member Close and approved with a unanimous vote, the Board entered closed session. After returning to open session, on motion by Board Member Bible, seconded by Board Member Spano and approved with Board Member Hogan abstaining, the licensee was released from probation, having met the terms of his probationary Order.

Item 15- Applicant Sherrita Williams requests to take the National Physical Therapy Examination for Physical Therapist's Assistants a third time in accordance with NRS 640.100(4). Board Member Villafuerte advised the Board that the applicant had worked in his facility as a CNA, but he never worked with her. He advised the Board that the applicant married an Occupational Therapist who worked in his department. Board Member Villafuerte stated he could be impartial. The applicant agreed to allow Board Member Villafuerte to participate in this matter. On motion by Board Member Spano, seconded by Board Member Villafuerte and approved with a unanimous vote, the Board entered closed session. After returning to open session, on motion by Board Member Close, seconded by Board Member Spano and approved with a unanimous vote, the applicant was granted permission to take the National Physical Therapy Examination for Physical Therapist's Assistants a third time.

Item 16- Licensee Richard J. Johnson request reimbursement of the reinstatement fee paid for the late renewal of his license. The Board discussed that Mr. Johnson had been licensed for many years and had renewed his license numerous times. The Board noted that the process for renewing a license has not changed. The Board also noted that Mr. Johnson claims to have mailed the check in late June, yet he never contacted Board to advise that he had not received the renewal certificate. In addition, Mr. Johnson's check had not cleared his account as of August and should have been another trigger for Mr. Johnson that his license was not renewed. On motion by Board Member Spano, seconded by Board Member Villafuerte and approved with a unanimous vote, the request was denied.

Item 17- Complaint Hearings and/or Review and Approval of Consent Decrees.

Case #2005-50 / Monique B. Haviland, #1784. This case was dismissed prior to the Board meeting.

Case #2006-26 / Thais Mollett, #1922. Board Member Close recused himself from this item as he was the Investigative Board Member. On motion by Board Member Bible, seconded by Board Member Spano and with Board Member Close abstaining, the Board approved the Consent Decree.

Case #2006-28 / Nina Renee Dunn, #0337. This case was transcribed by an official court reporter. Please see minutes file for the complete transcript. On motion by Board member Close, seconded by Board member Villafuerte and approved with Board Member Spano abstaining, the license of Ms. Dunn was revoked, having been found guilty of 11 counts of violating the practice act.

Item 18- Discussion on the requirements for fingerprinting of applicants and the recent improvement in the time frame for results of those reports. The Executive Secretary reported that the fingerprint reports from the FBI are arriving approximately 3 weeks and 4 days from submission. The Nevada Highway Patrol used to keep the FBI fingerprint card until they processed their card.

The NHP now sends the card to the FBI immediately upon receipt. This process has decreased the licensing process from 13-14 weeks to 4-5 weeks. The FBI report contains all activity, including the Western United States, so applicants can be licensed using the FBI report. The Executive Secretary noted that the response from recruiters and licensees has been overwhelmingly positive.

Item 19-Review and approval of the Jurisprudence Examination to be provided to all applicants. The Board Members provided suggestions to the Executive Secretary as to form and content. It was suggested that a question be added that addresses the posting of a current license on August 1, 2006. The Executive Secretary was directed to revise the examination and place the matter on the next agenda for review. It was suggested that the examination be provided to all licensees for informational purposes. The Executive Secretary noted that she will provide the examination when the new language changes (NRS and NAC) are noticed to all licensees.

Item 20- Activities of the Board office.

- a) Update of activities of the Board office. The Executive Secretary stated that the renewal process went well. She noted that she enjoyed attending the FSBPT Annual Meeting and discussed the major topics of the meeting, such as inspections, fine amounts and disciplines. She also noted that the data had been sorted for the annual routine inspections and the inspections sheets had been printed.
- b) Update regarding the hiring of a new Office Assistant. The Executive Secretary advised the Board that she wanted their input as to the hours the Board Clerk should work. She noted that she has been able to keep up with the workload by working a few extra hours and with the help of an as-needed assistant. She noted that the calls have decreased due to the time it takes to process fingerprints. She also noted that she has sped up processing the continuing education courses. Board Member Close said the Board needs to first determine if the Board office is a 1, 1½ or 2-person office. He noted that the Executive Secretary consistently performs whatever duties the Board gives her and she will not ask for help, but he is concerned of her getting burned-out. The Executive Secretary indicated that an ad was placed for the position and there were 116 responses. The Board directed the Executive Secretary to hire someone to work at least 20 hours per week, more as needed. Board Member Spano stated that the candidate should have some experience answering the phones and performing office work. Board Member Hogan said the Board supports the Executive Secretary 200% in hiring someone immediately for the hours she believes are needed. She further stated that the Board will not support the Executive Secretary without an assistant.
- c) Review of responses to the Customer Satisfaction Survey mailed to all licensees in May. Board Member Spano requested the report contain a question-by-question breakdown of the survey responses to include

percentages. The Executive Secretary was directed to create a new report for the Board to review at their next meeting.

- d) Update of Bill Draft Request. The Executive Secretary noted that a Bill Draft Request was submitted due to an omission during the last legislative session. The BDR contains a clerical correction only.
- e) Update of Nevada Administrative Code changes. The Executive Secretary reported that the NAC changes were approved and had an effective date of September 18, 2006. She noted that she will advise the licensees of these changes as soon as the language is enrolled. She also noted that the order forms, continuing education course application and all documents had been updated to reflect the changes.
- f) Update of the new Continuing Education Audit process and discussion if the process will continue next year. The Executive Secretary advised that the continuing education audit was performed during the renewal process. She noted that Board staff audited the renewals to determine that (a) the appropriate number of units were taken, (b) no more than .8 units were obtained from non-clinical courses, and (c) the courses were approved by the Board. She also noted that many licenses provided their certificates of completion. She noted that the process was considered acceptable according to the Deputy Attorney General.
- g) The Executive Secretary requests annual performance evaluation. The Board will conduct the annual performance evaluation of the Executive Secretary at the November 30, 2006 meeting.
- h) At the request of Board Member Bible, consideration of a bonus for the Executive Secretary. Board Member Bible stated that the Executive Secretary has performed exemplary over the past year, will all of the challenges of additional and complex complaint cases and the staff shortage. Board Member Hogan stated that she has thought about all of the work the Executive Secretary has been doing over the past year. In recognition of an outstanding job, on motion by Board Member Bible, seconded by Board Member Villafuerte and approved with a unanimous vote, the Executive Secretary was awarded a bonus of \$1,500.

Item 21- Discussion regarding the creation of a formula paper to determine if complaints should move forward, and if so, the guidelines for recommending discipline. The Deputy Attorney General and Executive Secretary indicated they need the Board's input in creating this document. A Committee was created to prepare a draft paper for the Board to review. The Committee consists of Board Member Spano, Board Member Villafuerte, Deputy Attorney General Dreitzer and the Executive Secretary. It was discussed that a report should be provided at the Board's January 2007 meeting.

Item 22- Report from the Deputy Attorney General. Deputy Attorney General Dreitzer advised the Board that all matters have been completed in the Jackson case.

Item 23- Update on the number of complaints filed, and the disciplines associated with those cases. The Board reviewed the report. The Executive Secretary noted

that the Deputy Attorney General costs have been broken down in the accounting program to differentiate between administrative costs and complaint cases. The Board will be able to view the DAG costs and compare that to how much was reimbursed by payment of administrative costs.

Item 24- Review of the appropriateness and/or legality of physical therapists who have graduated with a Doctorate Degree in Physical Therapy referring to themselves as “doctor”. The Executive Secretary stated that Nevada law requires the use of the initials PT, RPT or LPT. The Executive Secretary was directed to contact the other licensing jurisdictions to find out if they have taken a position on this topic.

Item 25- Review of financial audit for fiscal year July 1, 2005 through June 30, 2006. The Executive Secretary advised the Board that the audit contained errors. She advised that the errors were reported to the auditors for correction. She noted that the audit would be placed on the November 30, 2006 agenda for review and approval.

Item 26- Consideration of courses recommended by the Advisory Committee on Continuing Education at their meeting of July 21, 2006.

The Committee recommended the following courses be approved through July 31, 2007 for the units listed.

On motion by Board Member Spano, seconded by Board Member Close and approved with a unanimous vote, the following courses were approved.

Provider	Course	Units	Unit Type
A.P.T.A.	Integrating Manual Wheelchair Research & Practice in Your Clinic	0.85	Clinical
A.P.T.A.	Case Perspectives of the Injured Athlete Through the Ages	0.75	Clinical

Item 27- Consideration of courses recommended by the Advisory Committee on Continuing Education at their meeting of August 21, 2006. Board Member Close stated that he would like to review, in detail, some of the courses recommended for approval by the Committee. On motion by Board Member Hogan, seconded by Board Member Spano and approved with a unanimous vote, the following courses will be reviewed at the next meeting of the Board.

#### RehabCare Group

- Medical Necessity in Inpatient Rehabilitation Facilities
- Functional Maintenance Programs

#### Institute for Natural Resources

- Over the Counter Pain Medication: A Clinical Update
- Thyroid Disorders
- Skin Allergies, Skin Care, & Wrinkles
- Asthma & Allergies
- Irritable Bowel Syndrome & Inflammatory Gastrointestinal Disorders
- Memory & Amnesia
- Stimulants: Caffeine , Amphetamines & Appetite Suppressants
- Anti-Anxiety Drugs
- Rx for Women
- Vitamin C, E & Folic Acid: Three Efficacious Vitamins
- Stop Losing Sleep

On motion by Board Member Hogan, seconded by Board Member Spano and approved with a unanimous vote, the following courses were approved.
